

# KARMA LAKE OF MENTEITH STIRLING, SCOTLAND

## Unforgettable Scottish getaway

**Karma Lake of Menteith** is a breathtaking lakeside residence in Stirling that can accommodate 48 guests. Featuring spacious rooms with en suites, bright conservatories and a dining room with wooden deck all overlooking the placid waters of the lake, the resort captures a perfect mix of tranquility, tradition and high end comfort.

Nature is right on your doorstep, as are historic settlements, castles and the famous city of Stirling with its iconic castle.

The 18 bedroom hotel, originally the manse to the adjacent church, was converted to an Inn in 1888. The building was extensively modernised to become a hotel in 1937.

It is situated on the North Eastern shore of the Lake of Menteith, formerly known as Loch Inchmahome.

Inchmahome Island in the centre of the lake is a popular tourist destination, upon which the ancient Inchmahome Abbey ruins are to be found, where allegedly young Mary Queen of Scots once sought refuge. This is a dog friendly establishment, and a perfect location for countryside walks.
